## Welcome to tibits.

tibits, a shortened form of «titbits», stands for delicious, fresh, healthy food. Our family business was founded in 2000 by the Frei brothers together with «Haus Hiltl», the oldest vegetarian restaurant in Europe.

All tibits creations are glutamate-free and prepared with love but no artificial additives.

Are you planning a celebration, aperitif or lunch for at least ten people? Further information about catering is found at [www.tibits.ch](http://www.tibits.ch).
